

Arizona Report of Public Agency Performance on High School Transition Requirements

Indicator 13: High School Transition Requirements

Percent of youth aged 16 and above with an IEP that includes coordinated, measurable annual goals and transition services that will reasonably enable the student to meet the postsecondary goals.

Measurement

The data are taken from the ADE/ESS monitoring results and reflect the status of each public education agency (PEA) at the time of the on-site monitoring. The two line items evaluated for this indicator are:

1. The IEP includes documentation of one or more student articulated measurable postsecondary goals, and
2. The IEP includes documentation of one or more transition services/activities that support the postsecondary goal(s).

Data

The data are from school year 2008–2009. The data are the percentage of student files (that were selected during the monitoring) that met each requirement listed above.

State Target: 100%

State Results: It was not required to report State results in FFY 2008.
